

**APPENDIX A TO SUBPART I OF PART 103 --  
CERTIFICATION REGARDING CORRESPONDENT ACCOUNTS  
FOR FOREIGN BANKS**  
[OMB Control Number 1506-0043]

*The information contained in this Certification is sought pursuant to Sections 5318(j) and 5318(k) of Title 31 of the United States Code, as added by sections 313 and 319(b) of the USA PATRIOT Act of 2001 (Public Law 107-56).*

This Certification should be completed by any **foreign bank** that maintains a **correspondent account** with any U.S. bank or U.S. broker-dealer in securities (a **covered financial institution** as defined in 31 C.F.R. 1010.605 (e)). An entity that is not a foreign bank is not required to complete this Certification.

A **foreign bank** is a bank organized under foreign law and located outside of the United States (see definition at 31 C.F.R. 1010.100 (u)). A **bank** includes offices, branches, and agencies of commercial banks or trust companies, private banks, national banks, thrift institutions, credit unions, and other organizations chartered under banking laws and supervised by banking supervisors of any state (see definition at 31 C.F.R. 1010.100(d)). [*A "foreign bank" does not include any foreign central bank or monetary authority that functions as a central bank, or any international financial institution or regional development bank formed by treaty or international agreement.*]

A **Correspondent Account** for a foreign bank is any account established to receive deposits from, make payments or other disbursements on behalf of a foreign bank, or handle other financial transactions related to the foreign bank.

*Special instruction for foreign branches of U.S. banks:* A branch or office of a U.S. bank outside the United States is a foreign bank. Such a branch or office is not required to complete this Certification with respect to Correspondent Accounts with U.S. branches and offices of the same U.S. bank.

*Special instruction for covering multiple branches on a single Certification:* A foreign bank may complete one Certification for its branches and offices outside the United States. The Certification must list all of the branches and offices that are covered and must include the information required in Part C for each branch or office that maintains a Correspondent Account with a Covered Financial Institution. Use attachment sheets as necessary.

The undersigned financial institution, State Street Bank and Trust Company, on behalf of each of its foreign branches, subsidiaries, and affiliates listed in the attachment hereto (individually referred to as "**Foreign Bank**", and collectively as "**Foreign Banks**") hereby certifies as follows:

**A. Correspondent Accounts Covered by this Certification:** Check **one** box.

- This Certification applies to **all** accounts established for Foreign Bank by Covered Financial Institutions.
- This Certification applies to Correspondent Accounts established by \_\_\_\_\_ (name of Covered Financial Institution(s)) for Foreign Bank.

**B. Physical Presence/Regulated Affiliate Status:** The Attachment indicates the countries where each Foreign Bank maintains a physical presence. The Foreign Bank marked with an asterisk (\*) in the Attachment indicates the countries where Foreign Bank does not maintain a physical presence but is a regulated affiliate.

Foreign Bank maintains a **physical presence** in any country.

This means that Foreign Bank listed in Attachment:

- Has a place of business at the following street address indicated in the attachment hereto where it employs one or more individuals on a full-time basis and maintains operating records related to its banking activities.
- Is authorized to conduct banking activities in the country where its place of business is located.
- Is subject to inspection by the Banking Authorities that licensed Foreign Bank to conduct banking activities.

- Is subject to supervision by the Board of Governors of the Federal Reserve System and the Massachusetts Division of Banks, the same banking supervisory agencies that regulate State Street Corporation and State Street Bank and Trust Company.

**C. Indirect Use of Correspondent Accounts:** Check box to certify.

No Correspondent Account maintained by a Covered Financial Institution may be used to indirectly provide banking services to certain foreign banks. Foreign Bank hereby certifies that it does **not** use any Correspondent Account with a Covered Financial Institution to indirectly provide banking services to any foreign bank that does not maintain a physical presence in any country and that is not a regulated affiliate.

**D. Ownership Information:** Check box 1 or 2 below, **if applicable**.

1. **Form FR Y-7 is on file.** Foreign Bank has filed with the Federal Reserve Board a current Form FR Y-7 and has disclosed its ownership information on Item 4 of Form FR Y-7.
2. **Foreign Bank's shares are publicly traded.** Publicly traded means that the shares are traded on an exchange or an organized over-the-counter market that is regulated by a foreign securities authority as defined in section 3(a)(50) of the Securities Exchange Act of 1934 (15 U.S.C. 78c(a)(50)).

**If neither** box 1 or 2 of Part E is checked, complete item 3 below, **if applicable**.

3. Foreign Bank has no **owner(s)** except as set forth below. For purposes of this Certification, **owner** means any person who, directly or indirectly, (a) owns, controls, or has power to vote 25 percent or more of any class of voting securities or other voting interests of Foreign Bank; or (b) controls in any manner the election of a majority of the directors (or individuals exercising similar functions) of Foreign Bank. individuals exercising similar functions); and (iii) members of the same family shall be considered one **person**. [*The same family means parents, spouses, children, siblings, uncles, aunts, grandparents, grandchildren, first cousins, stepchildren, stepsiblings, parents-in-law and spouses of any of the foregoing. In determining the ownership interests of the same family, any voting interest of any family member shall be taken into account.*]
